

Achievements in 2014

Silver Medal SIIF

Silver Medal for Hestia - mine supervisory system for geophysical stations International Invention Fair SIIF.

Seul, 28 November – 1 December 2014 r.

Silver Medal Brussels Innova 2014

Silver Medal of the 63rd. "BRUSSELS INNOVA 2014" fair for AZRP - autonomous control and measurement set.

Brussels, 15 November 2014 r.

Gold Medal Brussels Innova 2014

Gold Medal with mention of the 63rd. "BRUSSELS INNOVA 2014" fair for X-MAN - intrinsically safe system for monitoring and analyzing parameters in the mining longwall area.

Brussels, 15 November 2014 r.

Competition „Polish Product of the Future”

Competition "Polish Product of the Future" (PPP) for the PREM-GO - low-voltage switchgear developed in cooperation with Elektrobudowa S.A.

Warsaw, 1 December 2014 r.

Laurels of Innovation

Laurels of Innovation for the "mining black box" AZRP - autonomous control and measurement set. Stanislaw Staszic Competition for the best innovative products.

Warsaw, November 2014 r.

Gold Medal IWIS 2014

Gold Medal for X-MAN - intrinsically safe system for monitoring and analyzing parameters in the mining longwall area. The 8th edition of International Warsaw Invention Show IWIS 2014.

Warsaw, 14-16 October 2014 r.

Bronze Medal IWIS 2014

Bronze Medal for Hestia - mine supervisory system. The 8th edition of International Warsaw Invention Show IWIS 2014.

Warsaw, 14-16 October 2014 r.

Bronze Medal IWIS 2014

Bronze Medal for AZRP - autonomous control and measurement set. The 8th edition of International Warsaw Invention Show IWIS 2014.

Warsaw, 14-16 October 2014 r.

Gold Medal ARCA 2014

Gold Medal for Hestia - mine supervisory system. International Exhibition of Inventions ARCA.

Zagreb, 15-18 October 2014 r.

Silver Medal ARCA 2014

Silver Medal for X-MAN - intrinsically safe system for monitoring and analyzing parameters in the mining longwall area. International Exhibition of Inventions ARCA.

Zagreb, 15-18 October 2014 r.

Bronze Medal ARCA 2014

Bronze Medal for AZRP - autonomous control and measurement set. International Exhibition of Inventions ARCA.

Zagreb, 15-18 October 2014 r.

The award for PŁ-3 - INNOSILESIA 2013

The award for PŁ-3 – stationary optical dust meter. The contest “Cooperation between science and business” organized within the INNOSILESIA 2013 Program.

Katowice, October 2014 r.

Medal in the Innowacje 2014 contest

Medal „The most innovative product” in the category „New technologies” in the Innowacje 2014 contest.

Siemianowice Śląskie, 11 June 2014 r.

Gold Medal „ARCHIMEDES”

Gold Medal Moscow International Salon of Inventions and Innovation Technologies “ARCHIMEDES”.

Moscow, 1-4 April 2014 r.

Solid Company 2013

Warsaw, 7 March 2014 r.

Award of the Russian League of Nation's Health

Award of the Russian League of Nation's Health for cooperation and support in promotion of healthy lifestyle and physical culture of Russia and CIS citizens.

Moscow, February 2014 r.
